SUMMARY

I am a Computer science fresh graduate from Politeknik Negeri Jember, specializing in web-based projects. With extensive experience in computer operations and proficiency in Microsoft Word, Excel, and PowerPoint, I have successfully completed an internship at **PT. Mitratani Dua Tujuh, Indonesia**, where I developed a **web-based employee evaluation system** and performed data management tasks using Excel. I thrive under pressure, enjoy learning new skills, and adapt well to both team and independent work environments.
